

# Maryland OHV Alliance Membership Application

The MD OHV Alliance advocates for and represents off-highway vehicle (OHV) interests in Maryland and works on OHV recreation issues in cooperation with State clubs, businesses, land managers, legislators and educators to conserve, expand, enhance and protect responsible OHV recreation opportunities.

With your help, the MD OHV Alliance is working hard to obtain off-road riding or wheeling areas within Maryland. We are pursuing opening public land for OHV use as well as working to create public/private partnerships to open private land for public OHV use.

Please note: we are a 501(c)(3) non-profit.
